# CONGRESSMAN GLENN "GT" THOMPSON IS WORKING TO REPRESENT YOU IN THE U.S. HOUSE OF REPRESENTATIVES.

THIS 2023 YEAR-END REPORT is a snapshot of the important initiatives being accomplished on your behalf in Washington, D.C.

## UPHOLDING OUR COMMITMENT:

**H.R. 1 - Lower Energy Costs Act**

**H.R. 2 - Secure the Border Act**

**H.R. 5 - Parents Bill of Rights Act**

★ **Throughout the year**, I was proud to join my fellow House Republicans and uphold our Commitment to America, putting our country on a stronger path. Together we have passed monumental legislation like H.R. 1, the *Lower Energy Costs Act*, H.R. 2, the *Secure the Border Act*, and H.R. 5, the *Parents Bill of Rights Act*. These bills support our economy and unleash American energy, secure our southern border and defend our national security, ensure our students and their parents have transparency in their education, and hold the Biden Administration accountable.

## ENSURING ACCESS TO MILK OPTIONS:

**H.R. 1147 - Whole Milk for Healthy Kids Act**

★ **The House of Representatives on December 13** overwhelmingly passed H.R. 1147, my bipartisan *Whole Milk for Healthy Kids Act*, to promote milk choices for students and put whole milk back in schools. For too long, whole milk has been demonized, depriving a generation of students of 13 essential nutrients that are key to their overall health and academic success. Ultimately, I look forward to restoring access to this nutritious beverage in schools across the country.
